MARK ATTANASIO

CHAIRMAN AND PRINCIPAL OWNER

The 2022 season is the 18th for Mark Attanasio as chairman and principal owner of the Milwaukee Brewers. Last season, Attanasio oversaw the organization as fans were welcomed back to American Family Field following the shortened COVID-impacted season of 2020.

The renewed energy in the stadium helped power the Brewers to a fourth consecutive postseason appearance for the first time in franchise history. Milwaukee is one of just five Major League teams that has qualified for the postseason in each of the last four seasons. In addition, the Club earned its second National League Division title in the past four years.

Over the course of Attanasio's leadership, the Brewers have been one of the National League's most competitive teams, holding the league's fourth-highest winning percentage (1357-1296, .511). The Brewers also hold the second-highest winning percentage in the National League (395-314, .557) over the past five seasons.

Attanasio remains committed to creating the best fan experience possible, and through significant investments over the past 18 years, American Family Field is consistently rated as one of the best venues in sports. Attanasio has also worked to maintain continuity among the organization's leadership, including the executive teams in baseball and business operations, as well as with manager Craig Counsell, who is the longest-tenured manager in the National League. Attanasio remains focused on his longstanding objective to establish the organization as a champion both on and off the field.

He continues to work diligently to uphold the four cornerstone pledges he made to the Brewers and to the community when the Club was purchased:

1. FIELDING A PERENNIALLY COMPETITIVE TEAM

Attanasio has worked closely with President of Baseball Operations David Stearns, Craig Counsell and the rest of the baseball operations staff to build a sustainable inflow of young talent that supplements the team's veteran players to field a perennially competitive roster.

The 2021 roster featured prominent contributions by several players drafted or signed and developed in the team's farm system, including outfielder Tyrone Taylor and pitchers Aaron Ashby, Corbin Burnes, Miguel Sánchez, Brent Suter, Devin Williams and Brandon Woodruff.

The organization continued to be well-represented throughout the league's end-of-season awards in 2021 with Corbin Burnes earning the National League Cy Young Award and Josh Hader winning National League Reliever of the Year. The Brewers were the only team to send four pitchers to the 2021 All-Star Game, with Corbin Burnes, Josh Hader, Freddy Peralta and Brandon Woodruff representing the organization in Colorado. Catcher Omar Narváez was also selected to the Midsummer Classic, leaving Milwaukee as one of just four teams with five All-Stars.

2. DELIVERING THE BEST FAN EXPERIENCE POSSIBLE

Attanasio greatly values the unwavering support and enthusiasm of Brewers fans, who were welcomed back in-person last season. Despite capacity restrictions, the Club ranked 10th in total attendance with nearly 2 million fans going through the turnstiles at home games in 2021.

Attanasio has pledged to provide fans with the best experience possible. That commitment has included funding enhancements on numerous fronts at American Family Field over the years.

This season, the Brewers will introduce several new fan attractions at American Family Field, including the highly anticipated X-Golf simulator, a first-of-its-kind experience opening inside a Major League Baseball park. The facility, located overlooking left field, allows golfers the chance to play on the world's top courses and compete in a wide variety of game formats while taking in a baseball game.

The expanded partnership with Potawatomi Hotel & Casino has allowed for additional upgrades to the Potawatomi Gate. This season, fans will find the Cream City Craft Cocktail Bar on the Loge Level, as well as an updated "Selig Experience," a state-of-the-art attraction honoring former Brewers owner and Commissioner Emeritus, Hall of Famer Allan H. "Bud" Selig, and his role in saving Major League Baseball in Milwaukee.

3. REMAINING A LEADER IN THE COMMUNITY

Throughout Attanasio's tenure with the Brewers, he has remained personally dedicated to and involved with Brewers Community Foundation (BCF), the charitable arm of the organization. Over more than a decade, BCF has donated more than $47 million to local non-profits supporting health, education, recreation and basic needs.

Approximately 200 non-profit organizations receive funding annually through the Foundation's initiatives. In addition to the fans' support of the Foundation, all uniformed players, their families, team executives and front office staff contributed their time and/or financial resources to BCF in 2021.

4. BEING AN ORGANIZATION WHERE PEOPLE WANT TO WORK, WHETHER ON THE FIELD OR BEHIND THE SCENES

Attanasio has continued to deliver on his commitment to make the Brewers one of the best places to work, not only in Greater Milwaukee, but in all of sports. Throughout his time as principal owner, the organization has grown as a desirable destination for some of Major League Baseball's top players, front office personnel and business executives.

Under Attanasio's leadership, the organization has created a corporate culture focused on best practices and achieving excellence across all areas and departments. He has guided the development of an effective diversity and inclusion program, advancing a strong culture of inclusion and engagement to enhance the Club and the overall community. This includes providing all Club employees, from game-day staff to front office and on-field personnel, training and leadership development with an emphasis on embracing diversity, innovation and service to the community.

From volunteering and outreach efforts in the cities of Milwaukee and Phoenix, to leading a journey of learning and conscious inclusion for every Brewers representative, Attanasio is driven by the cornerstone pledges he has instilled in the Club: to be a world-class organization where people want to work, deliver the best fan experience possible, instill pride by fielding a competitive team on and off the field, and to be a leader in the community.

BEYOND THE BREWERS

Attanasio has been an accomplished investment management executive for more than 30 years. In addition to his role as chairman and principal owner of the Brewers, he is a managing partner of Crescent Capital Group, LP, an alternative Los Angeles-based asset management firm that he co-founded in 1991.

Attanasio holds positions on several not-for-profit boards, including the board of trustees of Heal the Bay, the Los Angeles County Museum of Art and Harvard-Westlake School. He also has a leadership role as chairman of Major League Baseball's Investment Committee and previously served on the Executive Council. Additionally, he is a member of LA2028, the bid committee that successfully secured the 2028 Summer Olympic Games in Los Angeles. Attanasio is also an investor in the Milwaukee Admirals of the American Hockey League.

Attanasio received his A.B. from Brown University and his J.D. from the Columbia University School of Law. He and his wife, Debbie, have two sons, Dan and Mike, and two grandchildren.

RICK SCHLESINGER
PRESIDENT - BUSINESS OPERATIONS

Rick Schlesinger enters his 20th season with the Brewers and fourth in his current position after being promoted on January 23, 2019. He has previously held roles with the organization as executive vice president of business operations (2003-10) and chief operating officer (2011-18).

Schlesinger oversees the organization's business operations, including finance, human resources, information technology, legal, sponsorships, marketing, ticketing, business analytics, broadcasting, communications, stadium operations and non-baseball special events.

In addition, he oversees American Family Fields of Phoenix (the team's Spring Training complex) and the business operations of the Carolina Mudcats, the organization's Low-A affiliate. Schlesinger is a member of Major League Baseball's Youth Baseball and Labor Policy Committees.

The Brewers have established records in nearly every aspect of the business during Schlesinger's tenure. Over 2.5 million fans have passed through the gates of American Family Field in 12 of the past 13 seasons (excluding the 2020 and 2021 restricted capacity seasons). In that time, the organization has built a focus on the fan experience, developed new and enhanced partnerships and completed several major initiatives that benefit various stakeholders. Recent major investments in the fan experience at American Family Field include The Restaurant to be Named Later (2020), the Miller Lite Landing (2020) and the Cream City Craft Cocktail Bar (2022).

In 2021, Schlesinger oversaw the transition of the name of the Brewers home ballpark to American Family Field under a new naming rights partnership with Wisconsin-based American Family Insurance. This marked just one of the many elements linked to the expanded partnership between the two iconic Wisconsin organizations.

Prior to joining the organization, Schlesinger spent five seasons (1998-2002) as vice president of business and legal affairs/assistant general manager for the Anaheim Angels. He previously worked for Walt Disney Pictures and Television in motion picture development and production (1993-1998) and at the Los Angeles law firm of Latham and Watkins (1986-1993).

A Phi Beta Kappa graduate from the University of Wisconsin-Madison in 1983, Schlesinger received his Juris Doctor from Harvard Law School (cum laude) in 1986. A native of Bayside, Wisconsin, he currently resides in Hartland, Wisconsin, with his wife, Kate. They have five children, Bradley, Sam, Caitlin, Molly, and Mathieu.

DAVID STEARNS
PRESIDENT - BASEBALL OPERATIONS

David Stearns, 37, enters his seventh season leading the organization's baseball operations functions. Stearns was named the ninth general manager in franchise history on September 21, 2015. He officially assumed the position on October 5, 2015 and was promoted to president of baseball operations on January 23, 2019.

Since becoming general manager at the age of 30, Stearns has implemented an approach to build and retain talent across all levels of the organization that could make an impact at the Major League level. The Brewers increased their win total in their first three seasons (2016-18) under Stearns and manager Craig Counsell, recording a five-game improvement from 2015-16 (68 wins to 73), 13-game improvement from 2016-17 (73 wins to 86) and a 10-game improvement from 2017-18 (86 wins to 96).

Under Stearns' leadership, the Brewers have earned four consecutive postseason berths (2018-21) for the first time in franchise history, including winning 95 games and claiming the National League Central Division title in 2021.

After signing Gold Glove second baseman Kolten Wong in the offseason, Stearns made several key in-season acquisitions in 2021, most notably acquiring shortstop Willy Adames in a trade with Tampa Bay. The Brewers went 74-44 with Adames and clinched their second division title in the past four seasons on September 26.

In 2018, the team won a franchise record-tying 96 games and the National League Central Division title, swept the Colorado Rockies in the National League Division Series and came within one game of reaching the World Series. The Brewers also earned *Baseball America*'s 2018 Organization of the Year Award.

Prior to 2018, Stearns orchestrated a series of moves that were key to the team's success as he traded for outfielder Christian Yelich and signed outfielder Lorenzo Cain and starting pitcher Jhoulys Chacín. Yelich went on to earn National League Most Valuable Player honors. Yelich and Cain formed one of the most formidable duos atop a lineup in baseball as each finished in the top five in the National League in on-base percentage. Chacín led the Major Leagues in starts (35).

The Brewers made similar high-impact additions prior to the 2019 season, agreeing to a one-year contract with catcher Yasmani Grandal on January 14 and later bringing back third baseman Mike Moustakas on a one-year deal. The team went on to defy early September odds by winning 17 of 19 games en route to clinching a postseason berth on September 25. The Brewers went 18-5 over their final 23 games — the best record in baseball during that span — and secured a National League Wild Card spot, marking the second instance of postseason appearances in consecutive years in franchise history (1981-82).

Stearns joined the Brewers following three seasons (2013-15) as assistant general manager with the Houston Astros, where he was a key member of the management team, focusing on all areas of baseball operations, including analytics, administration, player development and scouting. During his tenure in Houston, the Astros put together one of Major League Baseball's most dramatic turnarounds in recent history, going from 51 wins in 2013 to 70 in 2014 and 86 in 2015 en route to clinching the American League Wild Card, the team's first postseason berth in 10 years.

Prior to joining the Astros, Stearns spent one year as director of baseball operations with the Cleveland Indians, running from December 2011 through November 2012, where he focused on contract negotiations, salary analysis, team strategy and roster management. From 2008-11, he worked in the Office of the Commissioner, including as manager of labor relations, where he assisted in the salary arbitration process, handled uniform player contracts and was a member of Major League Baseball's negotiating team for the Collective Bargaining Agreement.

Stearns served baseball operations internships with the Pittsburgh Pirates (summers of 2005-06) and New York Mets (2008). He also worked for the Arizona Fall League as assistant director of baseball operations in 2007.

Stearns graduated from Harvard University with a bachelor's degree in political science in 2007. The New York City native currently resides in Milwaukee with his wife, Whitney, and their children, Nora and Austin.

BREWERS IN THE COMMUNITY

BREWERS COMMUNITY FOUNDATION, INC.

Brewers Community Foundation, Inc. is the official charitable arm of the Milwaukee Brewers Baseball Club. We are proud to give back to our community in many ways. Brewers Community Foundation harnesses the pride, passion and commitment of Brewers fans, players and other supporters to positively impact the lives of children and families in Greater Milwaukee and Wisconsin. The Foundation seeks to be thoughtful and dependable philanthropic leaders actively engaged in providing needed financial support consistent with our mission.

BREWERS COMMUNITY FOUNDATION 50/50 RAFFLE

Tickets for the 50/50 Raffle are sold throughout American Family Field from gate opening through the fourth inning of every home game. One lucky fan will take home half of the net proceeds from the game's raffle ticket sales, with the other half benefiting Brewers Community Foundation. The winning ticket will be announced in the middle of the sixth inning, before the Johnsonville™ Famous Sausage Race, and the winner will have until the middle of the seventh inning to claim his or her prize at the 50/50 information table. If the prize goes unclaimed, another ticket will be drawn and announced. Last year, the Foundation helped more than 200 local nonprofit organizations provide quality programming in the areas of health, education, recreation and basic needs. For the winning raffle number and amount, call the 50/50 Raffle hotline at (414) 902-4334.

BREWERS COMMUNITY FOUNDATION DRIVE FOR CHARITY

During select homestands throughout the season, Brewers Community Foundation invites fans to drop off items or make a donation of $10 to help those in need. As a thank you for contributing, fans receive a collectible Brewers pin. The donated items are distributed to nonprofit organizations in Greater Milwaukee. This year, the dates include:

- April 13-16: pet supplies
- June 24-26: peanut butter
- August 5-7: school supplies
- September 30-October 2: new winter clothing items

Accordingly, fans will learn about the fantastic work being done by hundreds of nonprofits in our community, aided by the funds raised by BCF.

GRANT REQUESTS

Brewers Community Foundation provides a significant number of grants each year to nonprofit organizations. Our funding efforts strategically extend financial support to nonprofits that provide quality programming in the areas of health, education, recreation and basic needs with a particular focus on low income and disadvantaged youth and their families. Grants are generally limited up to $10,000 for Wisconsin-based organizations. All grant applications are to be submitted online. For further information and the online application, please go to brewers.com/bcf.

BREWERS BUDDIES TICKET PROGRAM

In 2021, more than 23,000 complimentary game tickets were distributed to youth groups and community organizations through the Brewers Buddies ticket program. The program is made possible through the generosity of season seat holders, ownership, players, sponsors and Commissioner Emeritus Bud Selig, who provides game tickets to Brewers Community Foundation for distribution to community groups. For information about participation in this program, call (414) 902-4625.

5K FAMOUS RACING SAUSAGES™ RUN/WALK

On July 30, Brewers Community Foundation will be hosting the 24th annual 5K Famous Racing Sausages™ Run/Walk. Held rain or shine, this event is a summer tradition for thousands of Brewers fans of all ages. The run/walk features unique opportunities to compete against the Johnsonville™ Famous Racing Sausages™ and follow the route onto the American Family Field warning track before enjoying a tailgate party with complimentary food and beverage. Each participant receives a commemorative t-shirt, ticket voucher for a future game and more. Proceeds benefit Brewers Community Foundation.

SCHOLARSHIP PROGRAMS

Brewers Community Foundation is proud to offer three scholarship programs to Wisconsin students. Applications may be submitted online from January through March. For more information and the online application, visit brewers.com/bcf. In 2021, 17 Wisconsin students received scholarships toward their college education through Brewers Community Foundation.

The Allan H. Selig Scholarship Program was created in the name of former Brewers President and Commissioner of Baseball Allan H. (Bud) Selig. Funding for the scholarships is the result of proceeds donated by Major League Baseball from the All-Star Workout Day, part of the 2002 All-Star festivities held at then-Miller Park. Selected candidates will receive $2,500 annually, renewable each year for a total of $10,000 over four years.

The Players/Coaches Scholarship Program is made possible thanks to Milwaukee Brewers players' and coaches' commitment to educational opportunities for youth. This scholarship is a one-year award that varies in amounts from season to season for students who plan to attend or are currently attending a college or university in Wisconsin.

The Community Scholarship Program provided its first award in 2013. Eligible applicants must be a minority or female student residing in either Milwaukee, Waukesha, Ozaukee, Washington or Racine County. Applicants must also be students pursuing studies in a design or construction-related field at a technical college or a college or university in the state of Wisconsin. Scholarship awards will be of varying amounts based on need.

COMMUNITY RELATIONS

The Brewers Community Relations Department is committed to supporting many events and activities throughout the state of Wisconsin. The Club is pleased to give back to dedicated fans who have supported the Brewers throughout the years.

Many charities, educational groups, youth groups and nonprofit organizations raise hundreds of thousands of dollars through the support of players and auction items provided by the Milwaukee Brewers. By supporting charitable causes, the Brewers, including players, coaches, Brewers Wives and front office staff, will continue exercising a pledge to be an active member in the community and help improve the welfare of people throughout the region.

BEYOND THE DIAMOND

Beyond the Diamond is a series of community outreach events that take place throughout the season involving players, coaches, Brewers Wives, alumni and team personnel working hands-on in the community. The community events are funded in part by Brewers Community Foundation and focus on the areas of health, education, recreation and basic needs.

DONATION REQUESTS

The Brewers receive thousands of requests annually to assist local nonprofit organizations, community and civic groups with in-kind donations for fundraising events. Being an active and contributing member of our community, it is very important to us to make every effort to accommodate requests within our region. In our continuing efforts to "Go Green," we no longer accept written letters or fax donation requests. All donation requests must be submitted online at brewers.com/donations.

REVIVING BASEBALL IN INNER CITIES

Reviving Baseball in the Inner Cities (RBI) is a youth baseball program operated by Major League Baseball that began more than 20 years ago in Los Angeles. The Brewers have joined other Major League teams in the continuing effort to bring baseball to inner-city youth, ages 9-17. Brewers RBI teams have made it to regional competitions with the support of the Boys & Girls Clubs of Greater Milwaukee and funding from Brewers Community Foundation.

RBI ATHLETE OF THE MONTH

Each month, an athlete who is enrolled in the Brewers RBI Program (Reviving Baseball in the Inner Cities) will be recognized for their dedication to academics, community involvement, leadership, reliability and monthly performance.

BREWERS ALUMNI ASSOCIATION

The Brewers Alumni Association consists of over 600 former players of the Milwaukee Brewers or the Club's forefathers, the Seattle Pilots. The Association aims to provide an opportunity for the Club's alumni to maintain relationships with former teammates, the organization and Brewers fans.

BREWERS WIVES

Brewers Wives play an important role in our community outreach efforts with their commitment to several important causes. Each summer, the wives team up with Brewers Community Foundation to raise funds through a couple of special events with proceeds earmarked for various Greater Milwaukee and Wisconsin organizations.

GRAND SLAM TEACHER PROGRAM

The Milwaukee Brewers are proud to announce the Gland Slam Teacher of the Month Program presented by UScellular™, recognizing teachers from all grade levels and disciplines who improve student achievement, use innovate strategies in the classroom and make a difference in the lives of their students. Each recipient of the Grand Slam Teacher of the Month Award will be recognized with a Brewers Grand Slam Teacher certificate and on Brewers social media channels during the corresponding month.

NELLIE GLOBAL AWARD

The Nellie Global Award will be presented annually to a Wisconsin resident who has made significant and meaningful contributions to society globally. The award is in honor of former Brewers coach and broadcaster Davey Nelson, who was a dedicated board member, supporter and contributor to Open Arms Home for Children in South Africa, an organization that provides care and a home-like environment to children the AIDS pandemic has orphaned. - Ryan Braun smacks the Brewers' 232nd home run of the season to break the franchise record (231 in 2007).....Braun breaks the record in dramatic fashion with a go-ahead grand slam in the ninth inning on September 15 at St. Louis.....the Brewers would finish with 250 home runs.
- Reigning National League MVP Christian Yelich has his season end on September 10 at Miami due to a fractured right knee cap suffered on a foul ball.....he would miss the final 18 games and the Wild Card Game.
- Christian Yelich wins the National League batting title (.329) for the second consecutive season.....he becomes the first player to win consecutive NL batting titles since the Rockies' Larry Walker in 1998 and 1999.
- Christian Yelich (44hr/30sb) becomes the 10th player (12 times) in Major League history to produce a 40/30 season.....he joins Ryan Braun (2012) as the only Brewers to accomplish the feat.
- Lorenzo Cain notches his first career Gold Glove Award, joining Carlos Gómez (2013) as the only Brewers center fielders to earn the honor.

2020

- Christian Yelich signs a nine-year contract on March 6, which runs through the 2028 season with a mutual option for 2029.
- In a season shortened to 60 games - beginning July 24 - due to the COVID-19 pandemic, the Brewers (29-31) qualify for the postseason for the third straight year, a feat previously never accomplished in franchise history.....the team would go on to lose to the Dodgers in two games in the National League Wild Card Series.
- The three-game series with St. Louis to begin the home schedule at Miller Park from July 31-August 2 is postponed due to multiple positive COVID-19 test results for the Cardinals.
- Ryan Braun plays his 14th and final season - all with the Brewers - ending his career as the all-time franchise leader in HR (352) and among the top three in nearly every other major offensive category.
- The Brewers and Reds elect not to play on August 26 in an effort to draw attention to racial injustice issues.
- Alec Mills throws the fourth no-hitter ever against the Brewers as the Cubs win, 12-0, on September 13 at Miller Park.
- Devin Williams is named National League Rookie of the Year, becoming the third Brewer ever to win the award as he joins Pat Listach (1992 - AL) and Ryan Braun (2007).....Williams also wins 2020 National League Reliever of the Year.
- Matt Arnold is promoted to vice president and general manager on November 19.....David Stearns remains with the organization as president of baseball operations.

2021

- After 20 seasons as Miller Park, the home of the Brewers is renamed American Family Field.
- The Brewers make the postseason for the fourth straight year, extending a franchise record, as they go 95-67 to win the National League Central.....the team would lose to the Braves, three games to one, in the National League Division Series.
- For the third straight time (no game in 2020), the Brewers send a franchise-record five players to the All-Star Game: Corbin Burnes, Josh Hader, Omar Narváez, Freddy Peralta and Brandon Woodruff.....it marked the first time in franchise history that the team had three or more pitchers selected.
- The Brewers introduce Milwaukee Bucks star and reigning NBA Finals MVP Giannis Antetokounmpo as a new member of the team's ownership group on August 20.
- Corbin Burnes (8ip, 1bb, 14k) and Josh Hader (1ip, 2k) combine for just the second no-hitter in franchise history as the Brewers get a 3-0 victory on September 11 in Cleveland.
- Ryan Braun officially announces his retirement on September 14.....the team honors Braun in an on-field ceremony prior to their game with the Mets on September 26.
- Corbin Burnes joins Rollie Fingers (1981) and Pete Vuckovich (1982) as just the third pitcher in franchise history to win the Cy Young Award.....Burnes becomes the first Brewer to ever lead his league in ERA.....his 2.43 ERA led the Major Leagues.

LOGO HISTORY

PRIMARY LOGO

1969

The Seattle Pilots used this logo for one season before moving to Milwaukee and becoming the Brewers.

1970-1977

The Barrelman logo was the first identity used by the Brewers. It was first used by the original American Association Brewers in the 1940s.

1978-1993

The ball-in-glove logo was introduced in 1978 after a contest open to the public drew more than 2,000 entries. An art history student at UW-Eau Claire, Tom Meindel, designed the logo that went on to be the winner. The design of the logo was meant to be recognizable on items as small as a button and as large as a billboard.

1994-1999

As the Brewers celebrated their 25th anniversary in Milwaukee, they introduced a new look. Green was incorporated as a color for the first time in franchise history. The logo resembled an industrial stamp, paying homage to Milwaukee's industrial history, and gave the team a modern yet old-fashioned look.

2000-2017

This logo was introduced during the final season at County Stadium, giving the team a fresh look heading into Miller Park. The classic yet contemporary look was created by McDill Design of Milwaukee along with Major League Baseball Creative Services. The barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2018-2019

In 2018, the team officially began using the "M" logo as its primary mark. The logo was first introduced in 2000 as part of the complete redesign of the team's artwork. Like the team's previous primary logo, the barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2020-PRESENT

At the onset of the Brewers' 50th anniversary, the team introduced a new look with a contemporary take on the ball-in-glove icon and brand-new uniforms. The new logo connects the past with the present; it includes elements of historical marks - a yellow border and circular text from the original Barrelman logo - with the modernized ball-in-glove logo and Brewers Industrial typeface.

ALL-TIME ROSTER (NUMERICAL)

The franchise has had 72 different uniform numbers worn by players and managers since 1969. The team has retired five uniform numbers — #1 for Allan H. "Bud" Selig, #4 for Paul Molitor, #19 for Robin Yount, #34 for Rollie Fingers and #44 for Hank Aaron — in addition to Major League Baseball's retirement of Jackie Robinson's #42 in 1997.

The following list does not include coaches. It does include players who may not have appeared in a game.

1981 AMERICAN LEAGUE EAST DIVISION SERIES

MILWAUKEE vs. NEW YORK - YANKEES WIN, 3-2

For the first time in Major League history, a divisional playoff series was played because of the split season. In the American League East, New York, winners of the first half, confronted Milwaukee, winners of the second half. It was the 34th time that the Yankees participated in the postseason and the first appearance in playoff competition for the Brewers. New York took the best-of-five series, three games to two, and swept three games from Oakland to earn the American League championship. The Yankees lost to the National League champion Los Angeles Dodgers, four games to two, in the 78th World Series.

2022 MEDIA INFORMATION

The guidelines below are subject to change based on guidance from Major League Baseball and/or national/local government agencies and health officials.

ADMISSION TO THE STADIUM

Media members should enter through the Potawatomi Gate, located in right field on the Field Level of American Family Field. The media gate will open four hours prior to first pitch.

All media members looking to access restricted areas (Service Level between clubhouses, clubhouses, media interview room, field and photo wells) must be "up to date" with COVID-19 vaccinations, which includes a booster shot if five months have passed since the second dose of a two-shot vaccine or two months have passed since the lone dose of a one-shot vaccine. An extended access sticker must be affixed to a media member's credential in order to gain restricted area access. Stickers can be obtained at the media gate by showing proof of being "up to date" on COVID-19 vaccinations.

BOB BETTS PRESS BOX

The Bob Betts Press Box is located on the Loge Level behind home plate. An elevator directly behind the press box, which is reserved for media and first aid immediately following the game, will transport media to the Service Level.

CREDENTIALS

Credentials for games at American Family Field must be applied for using Major League Baseball's online credential system (credentials.mlb.com) by 5 p.m. CT the day prior to each game. The only credentials honored for the 2022 regular season are those issued by Major League Baseball, Brewers Media Relations and BBWAA cards (including gold cards).

CLUBHOUSES

The home clubhouse is located on the first-base side and the visiting clubhouse is on the third-base side on the Service Level. Only properly credentialed media (up to date on COVID-19 vaccinations) are allowed in the clubhouse. Media is allowed access to the home clubhouse beginning three and a half hours prior to first pitch until the beginning of home batting practice. The training room, X-ray room, kitchen, weight room and video room are off limits to media at all times. Still photographers are not allowed in the clubhouse without prior consent from the media relations department. Cell phone usage is not allowed inside the clubhouse.

Masks are required in the clubhouse at all times.

FIELD

Field access is available via runways leading from the clubhouses or through the door to the right of the visitor's clubhouse. Only properly credentialed media members (up to date on COVID-19 vaccinations) are allowed on the field. Live or direct transmissions are permitted until 30 minutes prior to first pitch.

MEDIA DINING

Boxed hot meals will be available for purchase ($10, credit card only) to media members on a first-come, first-served basis starting two hours prior to first pitch. Media members will be permitted to bring their own food and beverages.

PARKING

To access the parking area, take the Brewers Boulevard exit off Interstate 94 and go straight at the traffic light at Frederick Miller Way. Media parking is located in the Logan Lot with overflow parking in the Kuenn Lot. Select media members will receive a season parking pass. All single-game credential holders will be placed on a daily list and must check in with the attendant.

PHOTOGRAPHER INFORMATION

Photo wells are located on the first and third-base sides on the field adjacent to the dugouts, as well as behind home plate. Two photo locations are located on the Club Level near sections 320 and 339. Photographers will not have access to the dark room at the beginning of the 2022 season.

In order to gain access to photo wells, all photographers must be "up to date" on COVID-19 vaccinations and receive an extended access sticker by showing proof of vaccination at the media gate.

POSTGAME ACCESS

Clubhouses will open to the media no later than 10 minutes after the conclusion of the game. At that time, Brewers manager Craig Counsell will be made available in the media interview room. Only properly credentialed media will be allowed access.

TELEVISION CREWS

Live transmission is NOT allowed during games inside American Family Field. Live or direct transmissions are permitted until 30 minutes before first pitch.

BOB UECKER

Bob Uecker enters his 52nd season as a broadcaster for his hometown team, calling games on Newsradio 620 WTMJ and the Brewers Radio Network. He is celebrating his 67th year in baseball.

Known across the country as "Mr. Baseball," Uecker is highly respected throughout the industry. He will forever be recognized in the National Baseball Hall of Fame in Cooperstown, New York after earning the prestigious Ford C. Frick Award in 2003, which is presented annually to a broadcaster for major contributions to the game. On July 27 that summer, he made one of the most memorable speeches in Hall of Fame history, leaving his audience, including former President George H.W. Bush, in tears from laughter.

In 2001, Uecker was inducted into the Radio Hall of Fame, where he joined baseball broadcasting luminaries Vin Scully, Mel Allen, Red Barber, Ernie Harwell and Jack Brickhouse, as well as other American icons, including Bob Hope, Jack Benny, Edward R. Murrow and Orson Welles. He was later inducted into the National Sportscasters and Sportswriters Association Hall of Fame in 2011 and the National Association of Broadcasters Broadcasting Hall of Fame in 2012.

In honor of Uecker's tenure as a broadcaster for the Brewers — which is the fourth-longest tenure of any broadcaster in the history of Major League Baseball — he is recognized throughout the American Family Field grounds. In 2003, Uecker became a member of the Brewers Walk of Fame, which is located near home plate on the plaza outside American Family Field.

On August 31, 2012, a statue bearing his likeness was dedicated in his honor outside American Family Field, joining those previously dedicated to fellow Hall of Famers Hank Aaron, Robin Yount and Commissioner Emeritus Allan H. "Bud" Selig. The ceremony was attended by celebrities and current and former players, as well as Uecker's family and friends.

On April 25, 2014, a second statue was dedicated in Uecker's honor, this one in the last row of the "Uecker Seats" on the Terrace Level at American Family Field. The statue commemorates the Miller Lite commercials in which he famously delivered the often-repeated line, "I must be in the front row!" That year, he was also inducted into the inaugural class of the Brewers Wall of Honor, which is located along the third-base side outside American Family Field.

Uecker has also been recognized locally throughout his career with the Brewers, including earning Wisconsin Sportscaster of the Year honors five times. He was inducted into the Wisconsin Performing Artists Hall of Fame in 1993, the Wisconsin Broadcasters Association Hall of Fame in 1994 and the Wisconsin Sports Hall of Fame in 1998. In January 1995, he earned the Big B.A.T. Award from the Baseball Assistance Team at a dinner in New York City in recognition of his continued support of former Major League players who need assistance.

Prior to becoming the voice of the Brewers in 1971, Uecker spent 1969 and 1970 broadcasting Atlanta Braves games alongside fellow Ford C. Frick Award winner Milo Hamilton and Ernie Johnson, Sr.

Uecker's big break can be traced to a 1969 visit with Al Hirt, a renowned jazz trumpeter from New Orleans. Hirt asked him to come on stage at a small nightclub he opened in Atlanta. Hirt was so impressed with Uecker that he arranged an appearance for him on *The Tonight Show, starring Johnny Carson*. Uecker became one of Carson's favorite guests, making more than 100 appearances before Carson retired in 1992. He also made appearances on *The Mike Douglas Show*, *The Merv Griffin Show* and *Late Night with David Letterman*, and served as a guest host on *Saturday Night Live*. Uecker became a national celebrity, and the ABC Network capitalized on his popularity. He went on to make appearances on *The Superstars*, *Friday Night Videos* and *The Midnight Special*, which opened the door for additional high-profile appearances.

A versatile talent, Uecker's credits go far beyond guest appearances and play-by-play. In 1985, he launched a television acting career as one of the stars of ABC's sitcom *Mr. Belvedere*, which aired 122 episodes. He also hosted two syndicated television shows, *Bob Uecker's Wacky World of Sports* and *Bob Uecker's War of the Stars*.

Additionally, Uecker was one of the Miller Lite All-Stars in commercials for the beverage during the 1980s and was cast as a radio announcer in the movies *Major League*, which was filmed at County Stadium in Milwaukee, and *Major League II*. He has even made appearances on the pro wrestling circuit, hosting *WrestleMania III* and *WrestleMania IV*, which earned him a spot in the WWE Hall of Fame in 2010.

Uecker's national recognition gained broadcasting Brewers games both on radio and television also led to his role as color commentator for ABC Sports coverage of *Monday Night Baseball*, the League Championship Series and World Series, as well as NBC's *Friday Night Baseball*.

Uecker's accomplishments are not limited to the electronic medium, as he authored a book entitled *Catcher in the Wry*, a humorous look back on his six years spent as a catcher with the Milwaukee/Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of the highlights of his career was being a member of the 1964 world champion Cardinals.

Despite his national attention and success, Uecker has never forgotten his roots. In 2015, he was honored with the Lombardi Foundation's Award of Excellence for his role in helping raise funds and awareness for cancer research. His philanthropic efforts have benefited several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys & Girls Clubs of Greater Milwaukee, Big Brothers/Big Sisters and Wounded Warriors.

In addition, Uecker is an advocate for organizations that battle cystic fibrosis and heart disease and is involved with the Wisconsin Department of Tourism and the Make-A-Wish Foundation.

AMERICAN FAMILY FIELD INFORMATION

The Milwaukee Brewers take pride in offering the best overall experience for every fan who attends a game. Central to the quality of the fan experience is the team's jewel of a ballpark, American Family Field.

Over 2.5 million fans attended games at the ballpark in 12 of the past 13 seasons in which full capacity was permitted. The Brewers are one of just eight teams in Major League Baseball to have sold at least 2.3 million tickets in every year since 2006 when ballparks were at full capacity. American Family Field has drawn over 51 million visitors to baseball games in 20 seasons fans have been allowed entrance, highlighted by 3,071,373 in 2011, which established an all-time Milwaukee baseball attendance record.

One of the keys to American Family Field's popularity is the dynamic nature of the facility that has allowed the ballpark to adapt to changing fan tastes over the years. This season, the Brewers will introduce several new fan experiences at American Family Field, including the highly anticipated X-Golf simulator, a first-of-its-kind experience opening inside a Major League Baseball park. The facility, located overlooking left field, allows golfers the chance to play on the world's top courses and compete in a wide variety of game formats while taking in a baseball game.

The expanded partnership with Potawatomi Hotel & Casino establishes a new branding experience upon entry through the right-field gate, now called the Potawatomi Gate. Fans will find the Cream City Craft Cocktail Bar on the Loge Level, as well as an upgraded "Selig Experience," a state-of-the-art attraction honoring former Brewers owner and Commissioner Emeritus, Hall of Famer Allan H. "Bud" Selig, and his role in saving Major League Baseball in Milwaukee.

Additional décor includes the 2021 National League Central Division pennant along the exterior of the press box, celebrating the franchise's fourth consecutive postseason appearance.

Notable upgrades in recent seasons have included the construction of the Miller Lite Landing in 2021, featuring Molson Coors offerings, various levels of seating and a deck overlooking left field. With the change in ballpark name for the 2021 season, updated branding and new LED sport lights were installed.

The PNC Club Level concourse was renovated in 2018, featuring a redesign and modernization of the corridor, as well as new dining options. A complete transformation of the food and beverage hospitality experience came in 2017, which marked the largest project funded by the organization in American Family Field history. The effort, which was honored with *Ballpark Digest*'s 2017 Best New Concessions Experience Award, encompassed an architectural redesign throughout the ballpark. This included a total of 11 concession stands in the new "First Base Ward" and "Third Base Ward" as well as two new full-service bars on the Field Level offering a variety of Molson Coors products. Another element of the redesign was the introduction of a "Local Brews" bar on the right-field side of the Loge Level, which features 30 taps serving craft beers from across Wisconsin.

Other major updates to the ballpark over the years include the enhanced UScellular™ Power Playground kids' area, the renovated Home Plate Team Store and creation of a new executive suite for hosting meetings and entertaining at games (2016), the Leinie Lodge and renovation of the Johnsonville™ Deck and SKYY Lounge on the Club Level (2013), the Brewers Team Store on the Terrace Level (2009), the main Brewers Team Store (2009), the renovation of 43 Club-Level suites (2009), the renovation of the Johnson Controls Stadium Club (2008), the Northwestern Mutual Legends Club (2007) and the Aurora Health Care Bullpen (2007).

American Family Field debuted on April 6, 2001 as Miller Park. In front of President George H.W. Bush, Commissioner Selig and many more dignitaries, the Milwaukee Brewers and Cincinnati Reds christened Miller Park in a thrilling game, culminating with a game-winning home run from Richie Sexson in the bottom of the eighth inning. On that day, President Bush became the first sitting president to attend a professional sporting event in the state of Wisconsin. He, along with Commissioner Selig, threw out ceremonial first pitches.

Built to accommodate a variety of events, American Family Field is not just the home of Brewers baseball. In its inaugural 2001 season, the park played host to a pair of major concerts, the George Strait Country Music Festival in May and a show by 'N Sync in July. Both concerts drew more than 34,000 fans and earned rave reviews from the performers and fans alike.

That was just the beginning of major musical events. In 2003, legendary rocker Bruce Springsteen brought his E Street Band for a memorable performance in front of more than 30,000 fans. In August 2005, Miller Park played host to the 150th birthday party for its original namesake, the Miller Brewing Company, with a mini-village built on the field along with a stage where rocker Bon Jovi played to a sold-out crowd. In 2008, H.O.G. (the Harley Owners Group) celebrated its 25th anniversary with a spectacular rally of 45,000 motorcycle enthusiasts and a concert featuring Kid Rock in the parking lots.

In October 2010, Miller Park hosted the 25th Anniversary Farm Aid Benefit Concert, featuring performances by Neil Young, Willie Nelson, Dave Matthews and John Mellencamp. In 2013, Miller Park hosted two sold-out concerts: Kenny Chesney's *No Shoes Nation Tour* and Paul McCartney's *Out There Tour*, and in 2015, One Direction rocked the venue during its *On the Road Again Tour.* Chesney has since performed at the ballpark twice more, on his *Spread the Love Tour* in 2016 and *Trip Around the Sun Tour* in 2018, and will return for a fourth show this year, joined by Dan + Shay, Old Dominion and Carly Pearce, on May 14 as part of his *Here and Now 2022 Tour.*

In recent seasons, the ballpark played host to pop icon Ed Sheeran (2018) and represented the only Midwest stop on legendary musician Billy Joel's tour in 2019. In addition to Chesney, American Family Field will host country star Eric Church's *One Hell Of A Night In Milwaukee* on May 28, 2022 and *The Stadium Tour*, featuring Mötley Crüe, Def Leppard, Poison and Joan Jett & The Blackhearts on July 17, 2022.

In addition to concerts, there have been three international soccer matches played at Miller Park, including meetings between Swansea City A.F.C of the English Premier League and Chivas of Mexico's Liga MX in 2014, Atlas Futbol Club of the Mexican Liga MX and Newcastle Football Club of the English Premier League in 2015, and C.F. Pachuca and Club León, both of Mexico's Liga MX, in 2018.

Miller Park hosted the 73rd Major League Baseball All-Star Game in 2002, which was Milwaukee's third All-Star contest and first since 1975 and was featured in the movie *Mr. 3000* (2004), starring Bernie Mac and Angela Bassett.

HELFAER FIELD

The Milwaukee Brewers joined the Southeast Wisconsin Professional Baseball Park District Board and the Evan and Marion Helfaer Foundation to build Helfaer Field, Wisconsin's finest youth baseball facility. Designed by Eppstein-Uhen Architects of Milwaukee, the facility was built on the site of County Stadium by Hunzinger Construction, the company that built the original County Stadium and part of the team that built American Family Field. The foul poles of County Stadium have been used at Helfaer Field, and the area where home plate existed in the old ballpark has been memorialized on the third-base concourse.

The $3.1-million facility was built with the help of a $2 million charitable grant from the Helfaer Foundation, as well as $1.1 million from the American Family Field infrastructure budget. Featuring 502 bleacher seats and additional concourse seating of 220, this is the premier location for youth baseball and softball leagues to host their games and tournaments and is perfect for kickball, employee outings, corporate events, birthday parties and much more.

The fences reach 200 feet with six-foot high walls, with the exception of left field, where the wall is nine feet. The playing surface of Helfaer Field was replaced in October 2008, giving Little Leaguers the same playing surface that big leaguers play on inside American Family Field.

- The umpire crew chief shall notify the visiting club, which may challenge the closing of the roof if it feels that a competitive imbalance will arise. In such an event, the crew chief shall make a final decision based on the merits of the challenge.

AMERICAN FAMILY FIELD STATUES

There are five statues located on the plaza outside of American Family Field, one of former Brewers owner and Commissioner Emeritus Allan H. (Bud) Selig, radio broadcaster Bob Uecker and Hall of Famers Hank Aaron and Robin Yount. The last features three ironworkers in honor of the three individuals who died when a crane collapsed during the construction of the ballpark on July 14, 1999. In addition, there is a statue of Uecker inside American Family Field located behind section 422 on the Terrace Level.

THE SELIG EXPERIENCE

Updated for 2022, The Selig Experience arrived at American Family Field in 2015 as a state-of-the-art attraction honoring former Brewers owner and Commissioner Emeritus Allan H. "Bud" Selig, who was inducted into the National Baseball Hall of Fame in 2017.

American Family Field is already known as a premier destination for baseball fans, and The Selig Experience takes that to the next level. The exhibition space totals approximately 1,400 square feet and includes authentic artifacts from Selig's tenure as Brewers owner. It celebrates the fans' love of the game as told through the story of the Brewers' founder.

The exhibit is located in the left-field corner on American Family Field's Loge Level. The attraction is highlighted by a multimedia presentation that tells the story of Selig's role in bringing Major League Baseball back to Milwaukee and his tireless efforts to promote and grow the game in his hometown. The show builds to a surprising three-dimensional encounter with the Commissioner himself, using technology found in only a handful of exhibits around the world, inside an authentic reproduction of his County Stadium office. After the show, fans are able to take a sneak peek into Selig's office.

The design and production of The Selig Experience was led by BRC Imagination Arts, an experience design firm that turns brands into destinations. For more than three decades, its masterful storytellers have been chosen by iconic brands and cultural attractions all over the world to inspire and engage their audiences. Uihlein-Wilson Architects contributed to the initial design of the space for The Selig Experience.

MILWAUKEE BREWERS WALL OF HONOR

The Brewers Wall of Honor commemorates Milwaukee Brewers players, coaches and executives who meet a set criteria based on service to the organization and/or career accomplishments. The Wall of Honor is a permanent exhibit on an exterior American Family Field wall adjacent to the Hot Corner entrance in left field. Honorees are recognized with a bronze plaque affixed to the wall along with their image and a brief synopsis of their Brewers career etched onto the marker. The plaques are created by Matthews International, designers of the plaques for the National Baseball Hall of Fame in Cooperstown.

The inaugural Wall of Honor class of 58 inductees was recognized during a ceremony at Miller Park on June 13, 2014. Honorees and their guests (as well as representatives of those who were deceased) were invited to attend the unveiling ceremonies and be recognized during a program on the field prior to the game.

Beginning in 2015, a player who appeared in at least one game with the Brewers and served as a primary broadcaster for 20 or more seasons with the team was eligible for induction. Added to the criteria in 2018, a Brewers executive who spent at least 10 seasons as general manager with a postseason appearance was eligible for induction. Additionally, any inductee into the National Baseball Hall of Fame who played for or managed the Brewers is eligible.

BERNIE BREWER™ @Bernie_Brewer

Perhaps as much a part of Milwaukee's baseball history as the players, Bernie Brewer, the official team mascot, has become a symbol of what is special about being a fan of the Brewers. The concept of a team mascot first emerged back in 1970, when the expansion team needed to draw more fans to the ballpark. That year, the original "Bernie Brewer," 69-year-old Milt Mason, camped out in a trailer atop the scoreboard in late June, vowing not to come down until a crowd of at least 40,000 attended a game. A bat-day crowd of 44,387 showed up to bring their adopted hero down from his perch on August 16.

The demand for Bernie Brewer grew, and by 1973, he emerged as a character who cheered on the team from a beer-barreled chalet, sliding down into a beer stein following each Brewers home run and victory. Bernie Brewer became a fixture at home games, especially for teams known as "Bambi's Bombers" and "Harvey's Wallbangers," when homers came with regularity.

In 1984, the Brewers rebuilt the bleachers, replacing Bernie's Chalet with a sound tower, sending the mascot into temporary retirement. But, by popular demand in 1993, Bernie returned and has been a fixture at every home game since. In 2021, thanks to American Family Insurance, Bernie received a brand-new chalet with a vintage look similar to his original chalet at County Stadium.

JOHNSONVILLE™ FAMOUS RACING SAUSAGES

Legend has it that the Johnsonville™ Famous Racing Sausages started to take shape in the early 1990s. In their formative years, they were little more than a cartoon running a virtual race every home game on the giant scoreboard in center field at County Stadium. As the movement began to take shape and a buzz developed about the characters, eventually the Bratwurst (#1), Polish (#2) and Italian (#3) made their debuts out of the left-field corner of County Stadium on select Sundays throughout the season. What started as a fun way to entertain many of the children attending afternoon games became an instant hit. The three sausages added a fourth when Hot Dog (#4) came on board in the middle of the 1990s.

The race grew in popularity among young and old alike. During the 2000 season — the final year of County Stadium — the virtual race was thrown out and mascots began to race every game. Running with the Sausages took on a life of its own as having an 'in' with the team might mean the chance to dive into the costume and scurry along the warning track prior to the seventh inning. Hideo Nomo, Pat Meares and Geoff Jenkins are just three of the lucky players to boast "Racing Sausage" among their personal accolades. In 2007, Chorizo (#5) permanently joined the team after a one-game debut in 2006.

HANK "THE BALLPARK PUP"

The morning of February 17, 2014 dawned sunny and warm in Phoenix, not unlike most days that the Milwaukee Brewers see at their Phoenix Spring Training headquarters. But what first seemed like an ordinary day soon became much more, all because of a visit from a four-legged friend.

Many major metro areas are overwhelmed with a problem of stray animals, and Phoenix is no different. Small dogs are occasionally seen wandering the outskirts of the Brewers' training fields, but they are typically too scared to interact with anyone on site. That day, though, a scruffy, dirty, and slightly injured little dog wandered up to staff at Spring Training camp and made himself at home. This pup was fearless, and he knew a good thing when he saw it. Not long after, the little guy was named Hank (after the great Hank Aaron), and his story was just starting.

Hank was cared for by staff on site, and soon Brewers coach Ed Sedar became his unofficial guardian. Sedar would feed Hank from the clubhouse buffet each day, and he quickly became friendly with various players and staff. It was clear, though, that the priority was to find Hank's home, and the Brewers set out to do just that.

By using social and traditional media channels, the Brewers posted regular updates on Hank's exploits. Every day, Hank would interact with players and coaches in the team's clubhouse, go from station to station as players participated in drills, ran occasionally with the Johnsonville™ Famous Racing Sausages and hosted meet-and-greets with visiting players, celebrities and fans. Outfitted in a Brewers jersey, updates of Hank's activities were posted every day by the Brewers, and it wasn't long before national media picked up on the story.

Locally, nationally and internationally, Hank's story appeared everywhere — *ABC World News Tonight*, *The Today Show*, *People Magazine*, *The Tonight Show* and countless others all featured Hank's heart-warming tale, and the Milwaukee Journal Sentinel ran photos and stories about Hank virtually every day for over a month. What didn't happen, though, was just as surprising. Despite the team's best efforts, nobody came forward to claim Hank as their lost pet. Working with the Wisconsin Humane Society, the Brewers arranged to have Hank adopted by a team executive, and Hank's forever home shifted north.

Hank's popularity in Milwaukee preceded his arrival to the city, and the Brewers rolled out a line of merchandise to celebrate this popularity. In addition, the team partnered with the Wisconsin Humane Society to donate 20 percent of the retail sales from all Hank items to the "Hank Fund." By September, the fund had reached a level of $150,000 through this contribution.

Hank's story included an Opening Day introduction on the field, a sold-out bobblehead night, meet-and-greets with fans at games and a Hank House (dog house) built for Hank's visits. After his newly-found fame became too much for one dog to handle, the Hank mascot was introduced on Wisconsin Humane Society Day at Miller Park on September 13, 2014.

In January 2015, Hank was named "Dog of the Year" at the *CW Network's* World Dog Awards in Los Angeles, an award which was presented to the canine who made the biggest impact on pop culture in 2014. What makes Hank unique is how he came to be a part of the organization. The Brewers didn't find Hank; Hank found the Brewers.

BARRELMAN

The Barrelman mascot was originally used by the American Association Brewers in the 1940s prior to serving as the Brewers primary logo from 1970-77. Barrelman was reintroduced in 2015 and has been entertaining fans at American Family Field ever since. You can find Barrelman causing mischief around the ballpark and dancing on the dugout during "Roll Out the Barrel" in the middle of the 7th inning.

The Brewers will play their 25th season of Spring Training baseball in Phoenix in 2022. Four offseasons ago, the team's Spring Training complex underwent a complete transformation that turned the grounds into a state-of-the-art facility. On November 25, 2017, the Phoenix City Council voted in favor of a renovation of the site. Construction began March 20, 2018, and Maryvale Baseball Park soon became American Family Fields of Phoenix.

American Family Fields of Phoenix officially opened February 12, 2019, featuring a 106,000-square foot clubhouse and office building that houses locker rooms, training spaces and support functions for both Major League and Minor League players, as well as the Brewers Retail Store and the team's primary ticket office. The investment included updated facilities for sports science and psychological services, an eight-lane batting tunnel, an agility field, new pitching and catching mounds, a practice field matching American Family Field's dimensions, and improvements to each of the seven playing fields. Renovations also featured a new entry plaza, scoreboard, concession stands and restrooms on a widened first-base concourse. Additionally, the Brewers partnered with Grand Canyon University to create an on-site "Learning Lounge," through which local students are able to access free tutoring. The project was named *Ballpark Digest*'s Renovation of the Year and Best Spring Training Experience by the Phoenix New Times, while the "Learning Lounge" earned a Governor's Tourism Award.

John F. Long, a longtime Valley developer, donated 56 acres of land to make the Brewers' Spring Training complex a reality in 1998. The team oversees operations of the facility, which was designed by HKS Design and built by Mortenson Construction.
